Mattress "Supreme Eco" is a mattress based on a block of independent spring system pocket made of durable steel. Cactus makes the surface stronger and lighter. For the mattress, both sides are the same, made of high-quality Ortofoam material (dense elastic foam filler).
Due to the use of a special filler in the mattress, dust mites and other parasites free. The mattress will provide optimal support for the spine during sleep. If you are looking for a balance between price and quality, then "Supreme Eco" is for you!
